25. All persons using this swimming pool and leisure wing area do so at their own risk
26. No Parties/DJ or any loud music to be played in the Pool/Relaxation Area. There is a limit to the noise of 70 decibels. This is due to Health & Safety, Staff living onsite and protected Species living in the grounds of the property.
27. Any pool floats and or balloons must be deflated and removed.
28. After use of the swimming pool, please do not sit on any furniture or bedding in wet swimwear, with or without towels and or clothing. The Chlorine in the water can bleach the furniture and or bedding. You will be charged for the replacement in such instances.
29. When the swimming pool is not in use, please ensure the pool cover is replaced. This ensures the pool temperature remains at an optimal level for your enjoyment.
30. Please ensure **all lights** in the area are switched off when not in use. This is to ensure we do not charge an additional fee for electric used. It also protects nocturnal animals living in the grounds.

If you have any questions about these please feel free to ask.
